RE: VENICE BEACH PARKING LOTS GUIDELINES – WASHINGTON BLVD, VENICE BLVD. AND ROSE AVENUE LOTS

The Department of Beaches and Harbors has implemented the following guidelines when film productions request the use of over 50 parking spaces of the subject lots:

- A parking monitor will be assigned to all Venice lots in which production is requesting 51 spaces or more. (Keeping the maximum of allowed spaces to 25% of each lot)
- Parking lot vendor will assign a parking monitor at the current hourly rate, which through 2022 is $28.17.
- Parking monitor will be required for a minimum of 4 hours on the first day of parking needs (Move-in Date).
- The film production Location Manager (or production representative) must check in with the parking monitor before filming vehicles and equipment enter the parking lots and park. The monitor will direct the production company where to park and review parking guidelines.
- Parking monitor will ensure production companies park within permitted parking spaces. Maps of parking lots will be distributed for reference.
- All additional standard parking guidelines will apply (attached).

SPECIAL FILMING CONDITIONS
VENICE AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

For purposes of these guidelines the Venice area is Santa Monica City limits to the north, Lincoln Boulevard to the East, Pacific Ocean to the west and Washington Boulevard to the South (including the Strand which is Pacific Avenue, Washington Boulevard, Via Marina, and the Pacific Ocean)

- **Affected residents and merchants must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*

- **Filming on holidays and weekends is generally not permitted**, especially during the summer. Exemptions may be granted on a case-by-case basis. Factors such as size of company, exact location and scope of intended filming, time of year, and anticipated impact on local parking will be considered when reviewing requests for such exemptions.

- **No vehicles shall be driven or parked on Ocean Front Walk between the hours of 10:00 a.m. and 7:00 p.m**. unless approved by The Department of Recreation and Parks.

- **Speedway shall not be used for parking of vehicles or equipment and must remain open to emergency vehicles.**

- **All vehicles and equipment (including private automobiles) associated with the production company shall be legally parked unless specific exemption is granted by the film permit.** No vehicles or equipment shall be permitted to park on Ocean Front Walk or the Venice Recreation Area property unless approved by The Department of Recreation and Parks. The use of private parking lots is strongly encouraged. Publicly owned parking lots in the area are managed by Modern Parking and must be added to the filming permit and cleared with the appropriate agency.
